</tbody>
</table>

### Dangerous Substances

To be covered within 1 month after installation (EN 12224). Predicted to be durable for service lives up to 5 years in natural soils with $4 \leq \text{pH} \leq 9$ and soil temperatures $\leq 25^\circ\text{C}$.

**System 2+:** Notified factory production control certification body No. 0338 BTTG performed the initial inspection of the manufacturing plant and of factory production control (FPC) and the continuous surveillance, assessment and evaluation of FPC and issued the certificate of conformity of the FPC.

The performance of the product C25 is in conformity with the declared performance in the table above. This declaration of performance is issued under the sole responsibility of the manufacturer GEOfabrics Limited.

**Signed on behalf of GEOfabrics Limited by:**

C. M. Harvey - Compliance Manager

**Place and date of issue:**
Leeds, West Yorkshire 13/04/2018
